Meeting Room	The Meeting Room is part of the extension built in 2004, and offers a more comfortable atmosphere with carpet and soft chairs. There is a serving hatch into the kitchen.
Toilets	Toilets are downstairs by the car park entrance; a toilet with disabled access is on the main upper level.
Equipment	There are 8 folding tables (182 x 76 cm). There are 32 padded upright chairs (6 with arms) and a further 40 wooden folding chairs in the storeroom at the rear of the hall.
Kitchen	The kitchen is equipped with a large double oven, a microwave and two fridges (one with small ice-box). The use of the kitchen is included in your booking fee.
